**July 4 - August 11, 2007 - Queen Milli of Galt**

“Let us 'don our camouflage' ... it's time to become the Prince of Wales.”

When an 80 year old woman has her tombstone engraved, claiming to be the wife of Edward VIII, her story raises a few eyebrows. This much we know is true. From there, “Queen Milli's” story travels back to 1919, when the young Prince of Wales traveled to Ontario and met feisty young Milli Milroy. A blend of fact and fantasy, it's a story of what might have happened if the Prince of Wales fell in love with a girl from Galt.

Both funny and moving, this story pays tribute to the enduring power of love
