15.1.2 The schedule to be employed in the determination of the number of points to be allocated a dog awarded Winners shall be:

Section 15.1.8, ... a dog awarded WINNERS which also places in the regular group competition shall be credited with the following additional points, provided that a dog was defeated at the Group level.

Number of breeds competing at Group level	Dog placed First	Dog Placed Second	Dog Placed Third	Dog Placed Fourth
13 or more	5	4	3	2
10 to 12	4	3	2	1
6 to 9	3	2	1	1
5	2	1	1	1
4	2	1	1	0
3	2	1	0	0
2	1	0	0	0
1	0	0	0	0

Section 15.1.9, A dog may not be credited with more than five (5) championship points in a single show.

Section 15.1.11, A dog awarded WINNERS which also places Best in Show at an all-breed Championship Show shall be credited with five (5) championship points inclusive of any points earned at breed or group level.

Section 15.1.12 (c), In order for a dog to be recognized as a Champion and its owner provided with a Championship certificate, the dog must...have earned at least one 2 point win either at the breed or group level.

Moving a Class Dog to Specials

Chapter 8, Section 8.9.1, A dog which is individually registered in the records of the Canadian Kennel Club, and has completed the requirements for a championship in accordance with these rules but at the time of the closing of entries for a show has not received confirmation of the title, may be transferred from one of the regular classes to "Specials Only", providing the transfer is submitted to the Show Secretary in WRITING by the owner or handler at least one (1) hour prior to the opening of the show.

Section 8.9.3, When one or more all-breed and/or specialty shows are held on the same day, in the same venue, the request for moving of class dogs to specials must be made prior to the scheduled opening of the first show.

Every day of a two or more day show is a separate show. Please note that this rule is effective up to one (1) hour prior to the opening of the show. NOT one hour prior to the judging of the breed.

Important Note regarding Emails & Faxes

It will be the responsibility of the exhibitor to ensure that any electronic submission, either , email, facsimile, or any document transmitted electronically, reaches the proper authority or recipient, within the times and limits as regulated for each document in the CKC Rules & regulations.
